Re: Your 12/15/04 Letter to the
Lyndon LaRouche Political Action Committee

Dear Mr. Morse:

Please be advised that I represent the Lyndon LaRouche Political Action Committee and its treasurer, Barbara M. Boyd, generally, and with regard to the matters raised in your December 15, 2004 and December 23, 2004 letters to the Committee. The Committee responded to your December 15, 2004 letter on January 15, 2005 ("the January 15th response"), and now responds to the matters raised in your December 23, 2004 letter.

The December 23, 2004 letter was occasioned by review of the Committee's 12 Day Pre-General Report. The FEC requests clarification concerning an alleged failure to timely file "24 hour reports" for two expenditures for the fourth printing of the pamphlet entitled A Real Democratic Party Platform for November 2004. The FEC also requests clarification concerning all expenditures made for "Publications," "DVD Production," and "Inserts" on Schedule B.

A copy of the fourth printing of the Platform pamphlet is attached. Except for a different cover, the content of this pamphlet does not differ from the previous versions of the same pamphlet which are also attached. Accordingly, the Committee reserves the position asserted in its January 15th response that this pamphlet is not, in whole or in part, an independent expenditure. Moreover, since the shipping date of this pamphlet
